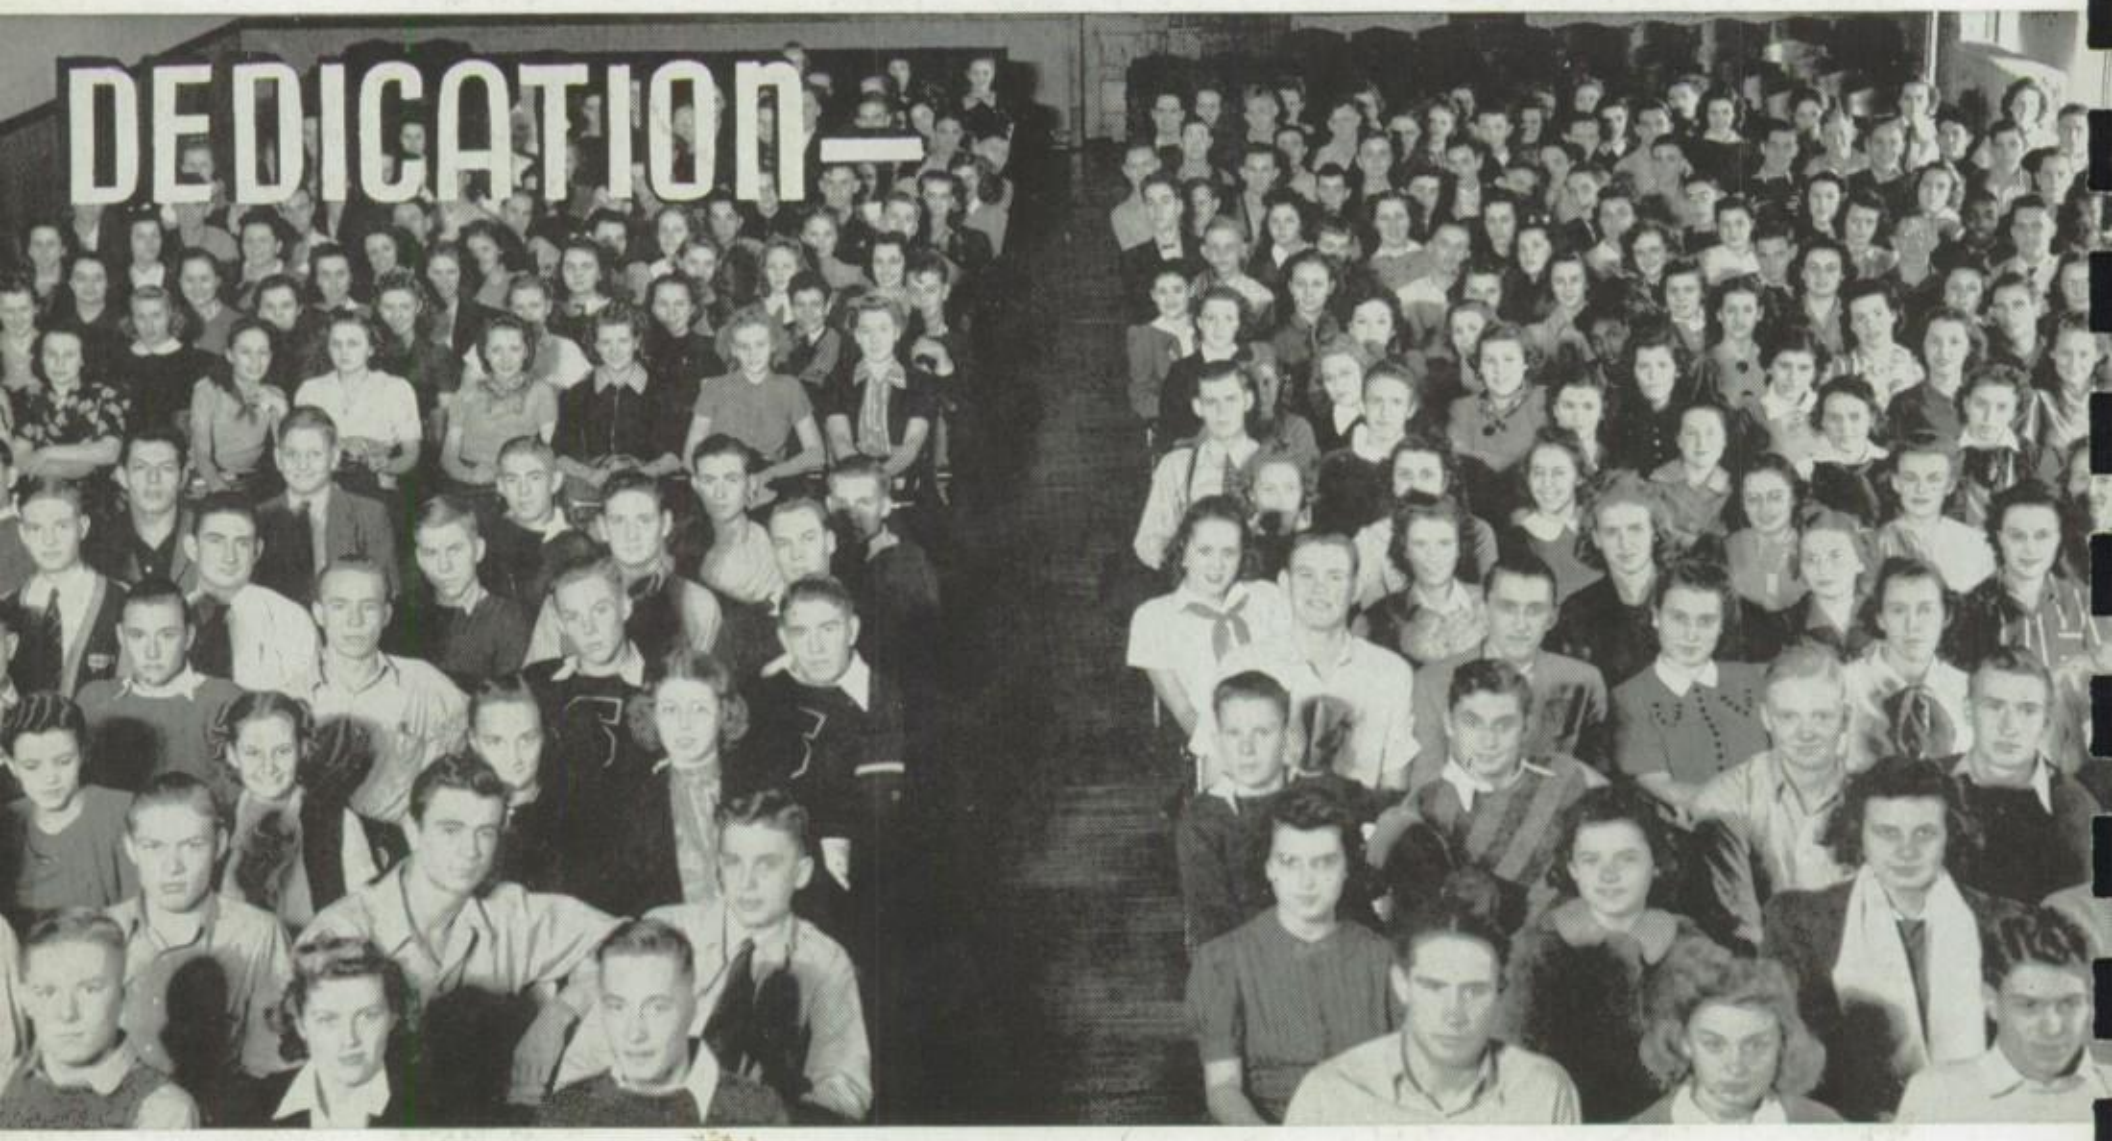
DEDICATION—



To the Seniors

The Trail staff members take pleasure in dedicating to their fellowclassmates the senior yearbook. To you we dedicate our 1940 Trail because you have followed your own so successfully. Since you have triumphed in so many contests and activities during your trek along the high school trail, no one group or individual better deserves this recognition. You have brought many laurels to Salina High in athletics, scholarship, music, and forensics. May your senior yearbook be ever a happy reminder of your travels along the Salina High Trail together.

MEMORABLE TIMES FOR 1940 SENIORS

Doesn't it seem simply ages ago since we were in our first 7th grade assembly, listening to Mr. Waring's talk about our being "buds" soon to blossom out into full-blown roses? Some of us still have a few thorns, we'll admit, but just because we're seniors, graduating and all, doesn't mean that we've forgotten the fun we had at Roosevelt. Remember the dust storms, post-office desk in Oakes' room, "Faust," Bob Johnson's infatuation with Jeanne Clark, the craze on Shirley Temple and exchanging movie pictures. It was fun to ride bikes and police the halls, wasn't it? Then the thrill of attending our first football game—remember Seitz' cow-bell? Donald Eaton and Helen Simpson leaving for California, and that little incident of Eugene Miller's tying "MeMe" Oleson to her desk in Miss Entz's room. Eighth grade, feeling big, we greeted Phil Taylor, losing Jr. Brown to California and John Snedecker to Minnesota. The Daleen-Howard affair reached its peak. Jinx and monopoly were the games of the hour, while baseball had its place too. All in all, we had fun at Roosevelt, walking over to Lincoln for assemblies—rain or shine. "Il Trovotore," snowball fights, and being pleasantly shocked at Forbes Pyle's driving his car to school! Oh! at long last, freshmen and the scramble to initiate was on. Most of us came out all right, but Freeman had a little trouble, we remember! Now we first begin to forget locker-combinations and be tardy. Then, too, the parties and dances began. Don Johnson had a hayrack ride, Mary Ellen's was open to us after games, and several new freshmen—Junior Williams, Bud Moore and Jack Moore—came to take their places in S.H.S. Water guns, roller skating, and Yo-Yo's "had it" then; "Budgie" Batchelder left; the Willie-Howard-Johnson trio played together; Demmy Cole switched his affections from Yordy to Buell. Sophomore year brought bonfire pep meetings, Caesar, and slam books; Jimmy Dorsey was here, everyone sang "I Double Dare You;" Bud Moore was the only sophomore to letter in football, and Edella Walker entered our (and Herbie's) life from Nebraska. Ending the year, we lost Russel Wilmon, Hope Huff, Demmy Cole, Maxine Loader, Bob Brown, Dan Weigner. Juniors now, Salina Hi was glad to be represented at the Class A basketball tournament, with several of our junior boys helping out, namely Willie, Thorpe, Cochrane, Just, Applebee, Green — and "Pete" Phillippi, the new coach, came. This was quite a year with sprained ankles and poison ivy being in vogue. We remember Yordy's "Susie" in "Springtime for Susie," the chorus trip to Emporia, sightseeing in Council Grove, and "Say It with Music." As for romantic interests—Chuck broke up with "Lauby," the Yordy, R. Taylor-Donnie trio and the Cannon-Buell-Miller combination had their "ins and outs." Famous twosomes were Myrtle and Keith, Betty and "Doc," Eddie and Herbie, Jess Dugan and everyone. Several girls deserted our boys for St. John's and that wonderful prom ended our best year yet, but we missed Charlie Green, "Mugs" Shoemaker, Ruth Nissen, and "Pinky" Dunmire, beginning our senior year—Oh memory of memories! Convertibles really were "it;" Johnny Fuller (with "Mac") came back, Rodney Meadows ran like a rabbit, John Snedecker's short but flashy visit, the "Lil Abner" party, leap-year dances, debate trips, Stunt Night, Costume Day, the Christmas formal, "Confucius say—" Christmas trees in the hall, G. R. and Hi-Y parties; that memorable noon the Leighton sisters arrived and the girls' chins all touched the floor with worry; "The Mikado" featuring Traylor, Walker, Hibbs, Buell, Heartwell, Harvey, Howard, Dorsey, Schreck, et al; "spring fever," that slick prom, senior movie, baccalaureate, class day, and—can we believe it?—At last—that little roll of paper that means so much work and fun is past—GRADUATION——V. WINTERTIME ABOUT WASHINGTON

Journalism and drawing cottage in the shadow of Washington . . . A 1940 senior leaves his footprints on the snow of city park . . . Late afternoon shadows hover over the tracks of a departing senior . . . It must be Saturday; no student tracks disturb the pristine beauty of the coverlet of snow.

BOARD OF EDUCATION

The positions of school board members are purely honorary and only men who are deeply interested in education, its development and possibilities have been known to serve on the Salina Board of Education. Membership on the Board gives personal satisfaction and no member of the group does his work for pecuniary rewards. Members of the Salina Board of Education, their years of service for Salina schools, and their position in Salina's business and professional life include (reading left to right in the picture below) Theodore P. Worsley, vice-president of the National Bank of America, elected to the Board in 1936. Mr. Worsley's untimely death on February 15 of this year removed from the service of Salina's public school system one of its most active workers; F. L. Reynolds, superintendent of buildings and grounds, employed as Clerk of the Board in 1931; E. Q. Haggart, partner in Haggart-Gawthrop Clothing Company, elected to the board in 1925; Charles E. Hawkes, employed as superintendent of schools in 1938; Frank S. Dyar, retired employee of International Harvester Company, elected to the Board in 1931, vice-president of Board 1932-33-34-35- and president of Board 1936-37-38-39-40; Earl C. Woodward, secretary-treasurer and advertising manager of Salina Journal, elected to Board in 1927, vice-president of Board in 1927, president of Board in 1928-29-30-31; Carl S. Byers, lawyer, elected to the Board in 1933, vice-president of Board 1936-37-38-39-40; Earl A. Morgan, owner of Salina Steam Laundry, elected to Board in 1936.

Our superintendent and principals have served us well and faithfully, but they have outside interests in which they find pleasure, so we want to record this year their avocations. Superintendent Hawkes, member of the faculty since 1938, is a stamp collector and confesses that he likes to write poetry . . . Mr. Waring came to S. H. S. in the fall of 1926, serving for two years as building principal at Washington and then high school principal since 1928. Outside of his school administrative work, his main interest centers around music . . . . Mr. Hodgson has directed the coming and going of Washington students since 1928, teaching ancient history and commercial law. He likes to pass away his extra time studying law and he is very much interested in athletics . . . Mr. Brooks has served as principal at Lincoln for nine years, having also been principal at Roosevelt and commercial teacher at Washington. He teaches bookkeeping and says that his hobby is fishing. He is also chairman of the Boy Scout program of this district . . . At Roosevelt is Mr. Hass, who came to Salina High in the fall of 1931. He has served as building principal all but two years when he taught social science at Lincoln. He has taken his turn teaching social science, arithmetic and is now a history instructor. His outside interests lie mainly in his wood-working equipment and in sports of all kinds.

REPRESENTATIVE GIRL

Since entering Salina High from Julesburg, Colorado, in her sophomore year, Edella Walker has truly been representative of all that the 1940 senior class has desired to be. She has taken the state scholarship tests every year. She held the position of president of the Junior Girls Club last year, was elected secretary of the senior class, secretary of the National Honor Society, and Girl Reserve Treasurer during her senior year. Last fall she was chosen to be one of the two attendants to the Homecoming Queen. Edella has also been very active in music and dramatics, having been a solo entry in the District Music contest and one of the cast of the senior play.

REPRESENTATIVE BOY

The choice of the seniors and faculty for this year's Representative Senior Boy was indeed a wise one. Cecil Cumberland has proved himself capable of handling the responsibilities given him in a most commendable manner. This year as president of the Washington Student Council he was responsible for much of the work done in planning for and in entertaining the statewide student council convention held in Salina. As presiding official at the majority of the Washington assemblies, Cecil has functioned graciously and capably. His activities have also included active participation in the Washington Boys Council. He has also been very active in dramatics.

ORCHESTRA

The Salina High School Orchestra consisting of 76 pieces is completing another successful season of music activities under the baton of Director C. F. Lebow. Although a trifle inexperienced at the start of the school year, the organization improved very much through many hours spent in the music cottage, where during the third hour of the school day, they not only rehearsed and polished selections, but also studied musical terms and the fundamentals of orchestra work. The recording machine was again used to great advantage in discovering and remedying defects in their interpretation of concert and contest numbers. The orchestra very ably assisted in the production of the 1939 Junior Play, filling in the spots between acts while scenery was being changed and costuming altered. The orchestra also had a large part in the presentation of "The Mikado," the light opera presented March 15, 26 members of the large orchestra being used for this event. Plans for the year also included an exchange concert with McPherson High, the Salina Orchestra appearing in McPherson, and the McPherson High School Band coming to Salina for a concert. The orchestra also entered the District Music Contest held in Salina, and made plans for the National Regional Meet in Kansas City in May. This year's orchestra is not as large as that of other years, but it has been a most satisfactory organization in the Salina High Music department. Its work and its play will be happily remembered by those who had a part in its activities.

A CAPELLA CHOIR

The 1939-40 A Capella Choir, whose membership comes from the fourth hour Washington chorus class of approximately 80 members, was as excellent as ever this year, in spite of the disadvantages which came with a change of directors during the first semester. Paul Ryberg, Salina High alumnus and formerly, music director at Osborne High School, "took up the baton" and completed the year's activities with flying colors after the talented and well-liked Al Thompson, who had conducted similar a capella groups for the past four years with outstanding success resigned in November to accept a position with radio station KSAL and as director of the Salina Municipal Band. Among all of the activities in which the choir participated, state teachers association programs, P.T.A. meetings, Lincoln and Washington building assemblies, the highlight of their 1939-40 career was the presentation of the Gilbert and Sullivan light opera, "The Mikado," which they staged March 15 at Memorial Hall. Two casts were chosen for the performances, afternoon and evening, and the choir was assisted by members of the Lincoln boys and girls glee clubs. The choristers included in their repertoire several distinctly different kinds of music: popular, classical, semi-classical, and religious. For their final appearance they brought their year's activities to a poignant close, singing at the commencement exercises where a large part of the choir came to the stage from their places among the 1940 graduates to sing for the last time as a part of Salina High.

The Salina High Band, directed by C. F. Lebow, has won acclaim as one of the finest bands in the state. With a marching band of 72 players and a concert band of 85 players, the organization performed with complete adequacy throughout the year. In addition to playing for all the home football games, at which their sprightly music and admirable pageantry added much to the color and spirit of the contests, the band played for basketball games and in the spring presented their second annual band concert. The organization also performed at one of the Kansas Wesleyan football games and attended the Kansas-State-Oklahoma football game in Manhattan. In February they were host to one of the several Central Kansas League band clinics and they attended the clinics held at Abilene and McPherson. The first performances of the concert band of 1939-40 were for out-of-school programs. They played an opening 30-minute concert for one of the general sessions of the Salina section of the Kansas State Teachers Association meetings in November and later in that month they won acclaim by performing on the Community Chest program. Their spring activities included, in addition to their concert in May, participation in the District Music Contest held in Salina and plans to attend the National Contest in Kansas City.

Marching down the field at the football games or down the floor of Memorial Hall at the basketball games, this group of gaily attired girls in their braided uniforms, showed great skill and ability in performing graceful and entertaining drill formations. Their contribution to the festivity of the sport events was colorful and snappy.

NEWS STAFF

Through the efforts of the 44 members of the two journalism classes the Salina High News, published weekly, covered school activities thoroughly and accurately. These classes met first and fifth hours in the cottage north of Washington building. At the general school election in September, Charles Eberhardt was elected editor-in-chief and Bob Daleen, associate editor. Aside from their newspaper duties the sports staff members compiled the information for the football and basketball programs distributed at the home games and members representing the entire staff participated in the N.F.L. Stunt Night program, winning second prize with the "Wizard of Oz" pantomime. Fifteen News staff members attended the K.U. Journalism conference at Lawrence October 6-7. In November Miss Carpenter and two staff members represented the News at the annual convention of the National Scholastic Press Association in Chicago. E.H.R. CLUB

The Ellen H. Richards Club, composed of 84 home economics girls, has contributed much to the life of Salina High School with its various activities including the fall formal dinner at the El Patio Dining Room for alumni members as well as this year's membership, the membership tea, the Halloween party, the Valentine party for friends, and numerous other social events. Under the sponsorship of Miss Anna Lora Miller, the girls attained a knowledge of the field of home economics, leaders in the field, and the striving for the high ideals and an appreciation of home life and social development. This club is affiliated both with state and national organizations and has become one of the largest home economic clubs in the state. Girls from the club attended the State Convention in March at Wichita and the national convention at Cincinnati later in the year. HI-Y CABINETS

Lincoln

Lincoln Hi-Y—A successful year has passed since the first 1939-40 Hi-Y meeting at Lincoln under the sponsorship of Harold J. Froning and W. T. Shoemaker. Spontaneity, cooperation, and exceptional enthusiasm have made each venture successful. Work for the year got underway when five members, Bob Cobb, Vincent Padgett, David Byers, Dale Oliver, and Ed Surface attended a Camp Wood Hi-Y summer conference last June and returned full of ideas for the coming year. Open house entertainment was provided at the Salina Y.M.C.A. in January to which each Lincoln Hi-Y member was welcomed. Leg and lung work at each football game last fall made possible large sales of hot dogs. Division of the club membership into seven committees has used every member in some capacity. The committees are Finance, Social Service, Poster, Devotional, Music, and Program. Cabinet members pictured above are—BACK ROW, Left to right: H. J. Froning, W. T. Shoemaker. Washington

Seven Committees under the sponsorship of Jack Kelly, new to Salina High this year, assisted by J. V. Cooper carried on the activities of the Washington Hi-Y club this year which had a membership of approximately 60. In addition to the regular Wednesday afternoon programs enjoyed by the club members, the boys sponsored service work at Thanksgiving and Christmas time, and carried out a successful finance project, selling pencils carrying the football schedule and later those showing the basketball schedule. Plans were started in January to sponsor for Salina Hi-Y clubs a series of addresses by James Chubb, minister and psychologist, who is well-known as an outstanding speaker. Washington Hi-Y Cabinet members pictured above: BACK ROW, Left to right: Charles Eberhardt, vice-president; Tylon Schuerman, secretary; Scott Harvey, finance chairman; Bill Cochrane, Bible study chairman. Cooper, faculty sponsor; Eugene Miller, president; Bill Norris, treasurer; Jack Kelly, faculty sponsor.

Roosevelt

ROOSEVELT Hi-Y — Meeting each Tuesday afternoon of the school year, Roosevelt Hi-Y club members have carried on a series of worthwhile and entertaining activities. Boys from the seventh and eighth grades make up the Hi-Y membership at Roosevelt with C. E. Bare, sponsor, assisted by J. L. Hosley. Early in the school year, three members, Bob Reed, Bob Buehler, and Gene Rheault, attended the Chapman conference of the Kansas Hi-Y which commemorated 50 years of Hi-Y work at Chapman. At this meeting the boys received ideas and plans to be used in working out their year's program. Members of the club planned and presented the stunt, "The Charming Princess," which won first prize in the N.F.L. Stunt Night program. The prize money was used in financing the club's Christmas service project. Boys who helped win the prize included Wayne Swedenburg, Irwin Rickel, Bernard Garver, Harold Bramhall, and George Reed. Early in November 65 boys enjoyed the party held in the Roosevelt gymnasium where the boys played games and other forms of entertainment. Club officers and faculty advisers pictured above include: BACK ROW: C. E. Bare, Robert Reed, president; J. L. Hosley. FRONT ROW: Bob Buehler, secretary; Dale Olsen, vice-president; Patrick Lanahan, Don Clingan.

Washington

Roosevelt

Salina High's typical G. R. member first becomes acquainted with her Girl Reserve work at Roosevelt. Entering S.H.S. for the first time, she sees many new faces and through G.R. she has an opportunity to make these new faces become friends. Under the guidance of the club sponsors in carrying out their themes for the year which have been "The Builders" for the seventh grade and "The Quest" for the eighth grade, she learns how to meet her new problems and becomes a part of Salina High School. The first step toward getting acquainted was the Pirate Party given by the seventh grade girls and the Robin Hood party by the eighth grade group. Later in the year, the girls wished for their mothers to become acquainted with their club and the new friends they had made so they invited their mothers to Mother and Daughter Teas. Roosevelt G. R. shared the G. R. spirit of service by giving baskets at Christmas. The girls defied the spooks by celebrating Halloween with a party. One of the most impressive programs of the year to the girls was the Christmas program which depicted Christmas in other lands by means of colored church window portrayals. Fellowship was shown by the little acts of kindness to their heart sisters. Definitely showing the enthusiasm of the girls for G. R. work at Roosevelt is the 100% membership of the eighth grade girls. LINCOLN: Traveling along the G. R. road, the S.H.S. Girl Reserve pilgrim joins the Lincoln club. This year she attends cabinet suppers, weekend camps at Win-e-Mar, the midwinter conference at Wichita, and—if she's lucky —she goes to Camp in June at Camp Bide-a-Wee near Wichita. Now that she is at Lincoln, she enters even more into the social service side of the G. R. triangle by joining the club's activities in giving fruit to the Americanization Center at Thanksgiving and toys to the Booker T. Washington Center at Christmas. Parties are many—among them a Halloween and Christmas party, also the big evening Valentine party. In cooperation with the Hi-Y and Student Council they helped to sponsor an all-building Fellowship Week for Lincoln. WASHINGTON: The last step for the S.H.S. girl before her Girl Reserve experiences become memories is her participation in the Washington club activities. Possibly after spending another with enthusiasm for building up her G. R. to be the week at Camp Bide-a-Wee, she comes back filled best yet. Even in her last two years of high school, she still meets some new faces. Not wanting to miss the possibility of new friendships, she has the privilege of becoming acquainted with these new girls on the hay rack ride for them to Thomas Park. Washington club has proved itself more than able to stand on its own feet financially by selling candy at the football games and in the halls after school. Of particular significance among the year's programs was the Christmas meeting which created a lasting impression among club members. Washington G.R. also has its social side with the Halloween party and Valentine party enjoyed at the regular meeting hour and the caroling and spring parties held in the evening. Washington girls also invited their mothers to a

DEBATE TIME AT S.H.S.

Debating the subject: Resolved That the Federal Government Should Own and Operate the Railroads, the 1939-40 debaters had no spare time on their hands. Sixteen students, ably representing Salina High traveled, over 1400 miles to attend seven tournaments which included tourneys at Hays, Topeka, Wyandotte High, Emporia, Wellington, and their district tournament at Junction City. The Salina debaters ranked high in all of these contests, climaxing their wins by placing second at the Kansas City, Kansas, Wyandotte meet, being defeated only by Newton, winners of the tournament. Salina also placed second in the Central Kansas League, losing only one debate during that tourney. In their final meet of the year, the district tourney at Junction City, February 3, the Salina two-speaker teams won three out of six debates to place second. The entire debate squad attended the Hays tournament in October and two teams received certificates of excellence, an award made to top-ranking teams since no places were determined. Salina debaters were hosts to 54 teams from throughout the state which attended the third annual N.F.L. Debate Tournament January 19-20. This year's Salina tournament along with the one held at Emporia was the largest in the state. The 1939-40 Debate Squad included Jack Moore, Bill Traylor, Walter Fay, Marjorie Nelson, Evelyn Hodgson, Mary Louise Oleson, and Jean Hoffman, seniors; Marian Hawkes, Frances Reed, Frances Lindblom, Betty Felt, Wesley Spaeth, Bernard Knowles, juniors; Gloria Fay, Manford Peck, and Bob Allison, sophomores. The record of this year's Salina debate squad was one of achievement and victory. The enthusiasm and untiring energy put forth by the coach, John I. Young, was in a large part responsible for the success of the debate season. The nucleus of the debate activities is the one-semester debate class scheduled first semester each year. This class in debate may be taken all four years of high school with credit in order to allow students interested in debate work to continue in that activity. Through the debate and oratory activities a student becomes eligible for membership in the Salina chapter of the National Forensic League, an organization which has been quite active at Salina High for the past three years.

It's been swell to have you in the Kodak Club this year? Don Lagerberg

Lots of luck

KODAK CLUB

A Salina High student who becomes a member of the Washington Kodak Club does so because he has an interest in amateur photography and desires to know more about the fundamentals of it. Sponsored by Blaine E. Sites, chemistry and physics instructor, the club meets every two weeks, and members can often be found in the club's dark room, developing and printing either their own candid shots—which incidentally add much to the "zip" of the 1940 Trail—or that treasured shot of the football team's most spectacular play. If at different times you've wondered about that ubiquitous person with a camera in one hand and a flash bulb in the other, you can be quite sure it was a member of the Kodak Club. Gene Fullen and his two colleagues, Owen Lovan and Charles McCarty, could often be seen "flashing around" at various places—including the junior play and stunt night. In order to maintain his standing in the club, second semester, a member had to develop at least one roll of films during the first semester and the 50 cents club dues for the year. The Officers elected at the beginning of the second semester who will serve until January 1941 include president, Don Lagerberg; vice-president, Stanley Anderson; secretary, Olive Batliner; treasurer, Don Abbott. Members of the 1939-40 Kodak Club pictured above include—BACK ROW, Left to right: Don Lagerberg, Bob Garrison, Evonne Werries, B. E. Sites, sponsor; Charles Schreck, Owen Lovan, Darrel Postlewaite, Evelyn Hodgson, Cecil Cumberland, John Chaltas. GRAPHIC ARTS CLUB - BOYS COUNCIL

That Salina High School and the entire Salina Public School system could not get along without the high school printing department is obvious when one stops to consider the many and varied activities of the boys enrolled in that department. Among their many projects are the printing and makeup work for the Salina High News, the Trail, and the Salina Junior Journal, a grade school paper. An honorary club made up of the boys from the department who are very active in their classes and do outstanding work. The Salina chapter of the National Student Graphic Arts Society has eleven members this year. The purpose of this society is to advance graphic arts education among high school students. Charles D. Winders is the faculty adviser for the club. Pictured above are—TOP ROW: Harry Armstrong, Park Snyder, vice-president; Bob Caldwell, Harold Andrews, C. D. Winders, sponsor. FRONT ROW: Delbert Elliott, editor; Kenneth Hed, president; LeRoy McCune, Vernal Johnson, secretary-treasurer; Two other Graphic Arts members not shown in the picture are Kenny Knoettgen and Don Sparks.

The Boys Council of Washington High was organized two years ago under the direction of Principal O. E. Hodgson. The main purpose of the Council is to better the school interests in as many ways as possible. The members meet each Tuesday morning on a completely democratic basis for there are no officers elected by Council members. They discuss student conduct, discipline, and care of school property. The Boys Council has also sponsored a number of special projects this year including the February 16 Costume Day activities, the program for the Armistice Day observance which included the presentation of a new American flag to Washington High, the Kansas Day assembly when Washington building was presented its first Kansas State banner, and a series of after-school candy sales, the money-making project of the Council. Members of the Council pictured above—BACK ROW, Left to right: Charles Schreck, Jack Hargrave, Jim Reed, Boyd Barefield, Principal O. E. Hodgson. FRONT ROW: Kenneth Hed, Bill Elzea, Cecil Cumberland, Howard Cassell, and Lester Sheahon.

1939 FOOTBALL SEASON

The Maroons enjoyed their most successful football season this year since they won the C. K. L. championship in the 1937 season. They rolled up 229 points to their opponents' 79, and won eight out of ten games for a seasons' percentage of .800. The Mustangs gained a total of 2527 yards from scrimmage, more than any other C.K.L. team. Norris, Miller, and Cochrane won places on the All-League team, with Johnson and Meadows receiving enough votes for second team choices. The Mustangs made their '39 football debut against Beloit winning 34 to 7. The first league contest was with the Bullpups of McPherson, in which the Maroons were victorious 12-0. This game was highlighted by Rex Applebee, Maroon wingback, who showed his excellent skill in blocking and tackling. October 6 the Mustangs traveled to Clay Center, only to find the opposition too strong, losing 33 to 6. The Tigers struck pay dirt with a forward pass and a lateral a few minutes after the opening kick-off. This play was followed by a 65-yard gallop by Meadows, fleet-footed Mustang tailback. The Salina lads took this defeat on the chin and came back fighting to defeat Herington 31 to 0. With an offense that clicked on every play, Bill Cochrane and Rodney Meadows evaded the Railroaders' line for one touchdown apiece and the remaining 19 points were accounted for by Applebee, Johnson, and Williams. The resumption of one of the oldest rivalries in Kansas athletics found the Maroons on the long end of a 20 to 6 score over the Cowboys from Abilene. The second annual homecoming game found the Maroons paired off with the Chapman Irish. The Mustangs took this contest in full stride, winning 41 to 7; but it was a costly victory, for the Maroons lost the services of Captain Virgil Olson, because of an elbow injury. Finishing an abbreviated C.K.L. season against the Junction City Bluejays, found the underdog Maroons passing, running, blocking, and kicking in a spectacular style not witnessed before during the season. With only 20 seconds playing time remaining and the score knotted at 13-13, the Jays let loose a pass into the end zone for a score and a 19 to 13 victory. After completing their league season the Maroons tackled Lindsborg, Ellsworth, and Hutchinson in non-league tilts, winning each by sizeable margins. In a mud fight with the Lindsborg Vikings the Mustangs returned to Salina with a 14 to 0 victory. Then on to Ellsworth where Williams, Maroon signal-caller, had a field night, scoring three touchdowns and two conversions for a total of 20 points. Maroon substitutes were used freely and the final result, a 38 to 0 victory for the Salina gridsters. Closing their 1939 schedule with the Hutchinson Salthawks, the boys in maroon and white, scored a 20 to 7 win over their Ark Valley rival. After this game nine boys who started the contest and eight others of senior ranking hung up their cleats for the last time as Mustang gridmen.

1940 BASKETBALL SEASON

Winning the C.K.L. title for the second time in the four years that Earl Morrison has been head basketball coach at Salina High, the Maroon Mustangs had one of the most successful seasons this year that a Salina quintet has ever experienced. The S.H.S. basketeers also took the regional championship for the second successive year to climax their record of 19 wins and three losses. Opening the season with wins over Hays, Russell, and Topeka—all non-league teams—the Maroons maintained their winning record for eight straight games which included Herington, Chapman, Clay Center, and Abilene in the league and Ellsworth as another out-of-league opponent. Then came a heart-breaking defeat at the hands of Junction City's Bluejays 29-27. Junction's last half barrage of set shots from far out wiped out Salina's comfortable half-time lead. Rebounding from this defeat, the team knocked off the next five in order: Manhattan, McPherson, Junction City (32-20, to more than avenge the earlier beating), Manhattan and McPherson. Then came the second Abilene game which found the Salina team colder than seemed possible. The Cowboy team, inferior on any other night, walked over the Mustangs 27-10. But the Maroon basketeers made an immediate comeback to take Clay Center and Herington, finishing the regular league schedule with a three-game lead on the second place teams. At the Class A regionals held in Salina, the home team went straight through, eliminating Chapman, Manhattan, and—in the finals—Abilene. in a rough game which ended 41-22 after a close first half. The boys next entered the state tournament at Topeka where Ward High of Kansas City put them out in the first round in a close game which saw a second half Salina rally fall short by three points for a 34-37 score. In this tournament Bill Cochrane, center and the Central Kansas League's leading scorer with a fourteen point average, was given honorable mention on the state all-star team. Junior Williams, forward, was also one of the circuit's leading scorers who came through in the pinches, as in the second Herington game when he scored seven points in the last 90 seconds to pull the 35-30 game out of the fire. Johnny Short, the only junior starter, was also a regular scorer and a smooth floorman at the other forward. Rex Applebee and Russell Thorp, the guards were not high scorers but they did a beautiful job of feeding the forward wall as well as being impassable on the defense. On the reserve list Bud Just was the only senior, Joe Crowthers and Dick Rosberg were juniors, and Larry Smith and Don Keithline were sophomores. All of these boys saw a good deal of service, but Crowthers and Smith were usually the first men into the game when substitutions were made. These promising underclassmen together with the sophomores and juniors on Coach Phillippi's B squad make next year's prospects look bright. The Maroon B's were also league champions in their circuit, winning 15 of their games and losing only one.

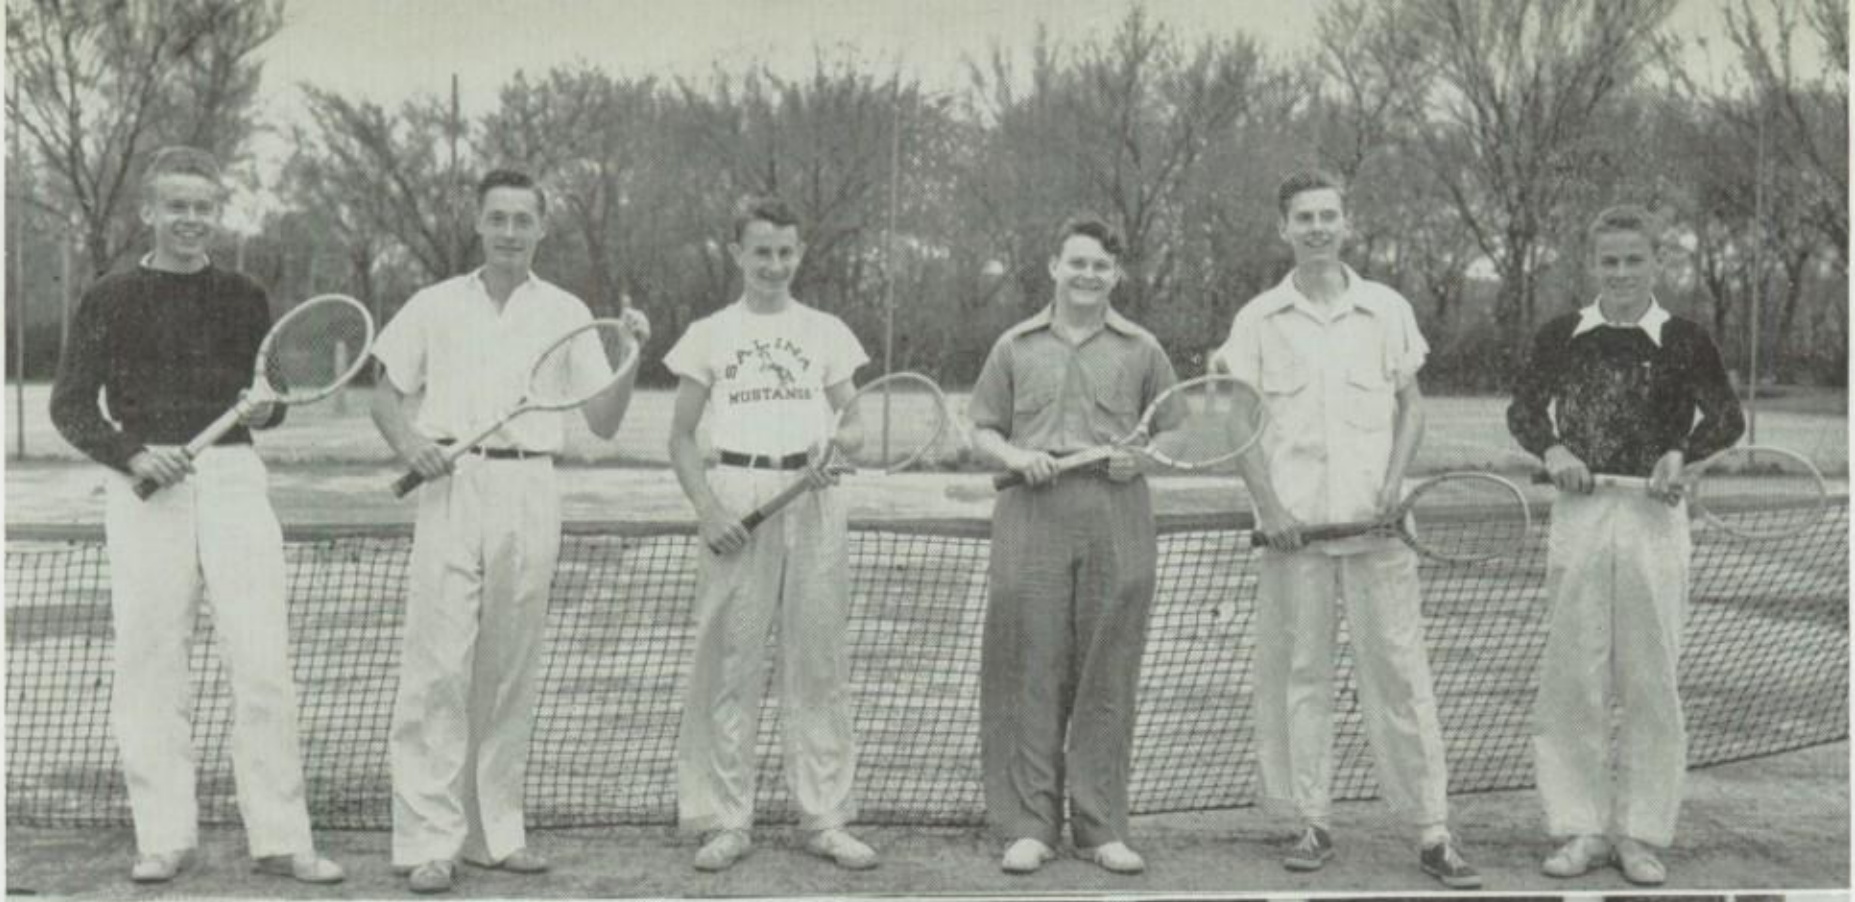
Miller, Leighton, Anderson, Pugh, Camerenes, Cohman, Kuhn.

The Maroons began their 1940 track season with 14 lettermen in a squad of more than 70 members under the coaching of "Pete" Phillippi, assisted by Earl Morrison. Consistent point-winners for Salina High during the 1940 season have been Dan Struble in the high hurdles and the broad jump, Willard Van Pelt in the half mile, Charles Eberhardt in the 100, 220, and 440-yard dashes, and Jack Moore and Blaine Dailey in the mile. In the field events Bill Cochrane, chosen Most Valuable Athlete in this year's senior class, has won many points in the discus and shot put. Berry, Murphy, and Ludes have thrown the javelin with varying success. Willard VanPelt in the half mile this season has shattered two records: the Hays Relays and the Central Kansas Invitational. Salina's early season track results brought a tie with Junction City for second place in the Salina, Topeka, Junction Triangular which opened the season March 30. Scoring 21 points gave the Maroon thinclads second place in the April 6 Sterling Relays. Taking 11 firsts in the 16 events, the Salina track team took first place in the April 9 Triangular with Chapman and McPherson. They defeated the Hutchinson team 75 to 57 points April 16. Ten members of the squad entered the K.U. Relays, winning fifth place with 16 points. In the Central Kansas Invitational April 26 the 1940 Maroon track and field entries scored a total of 28 points to capture first place. Other meets on the schedule included the May 3 Central Kansas League, the May 10 Regional, and the May 17-18 State at Emporia.



S. H. TENNIS SQUAD: (Left to right) Scott Harvey, jr.; Lawrence Lindblom, sr.; Harold Lear, sr.; Garth VanPelt, sophomore; Bill Traylor, senior; Jay Hines, sophomore. Opening their 1940 season March 29 at Hutchinson, the Maroon netmen defeated Hutchinson 4-3. In league dual matches they have been defeated twice by Clay Center 5-2 and 5-2. In a triangular meet with McPherson and Junction City, the S.H.S. tennis players were on the lower end of a 6-5-4 score. Other meets entered this season were the April 26 Central Kansas Invitational, May 3 Central Kansas League, and the May 11 Regional. C. E. Bare and John I. Young have been in charge of the tennis activities.

S. H. S. GOLF TEAM: (Left to right) Bob Herrington, junior; Jim Ludes, senior; Bob Caldwell, senior; Jack Moore, senior. Playing the first half of the Central Kansas League golf tourney last October, Bob Caldwell and Jack Moore placed second, back of Abilene. The second half of the tourney was scheduled for May 4. At a late April meet with Abilene, Junction City, and Manhattan, the Salina four-man team: J. D. Hill, Bob Herrington, Jim Ludes, and Bob Caldwell, held a margin of 18 strokes over their nearest rival, Abilene. If this brand of gold was played in the final half of the C.K.L. tournament, Salina likely eliminated the nine-point lead which Abilene held at the end of the October match. In other meets this spring the same four-man team turned back the Bethany College golfers by 46 strokes and the Junction City Jays by 33 strokes.

the Harem, and Jello's six delicious flavors made a hit. Feb. 20—Senior girls entertained their mothers. Feb. 23 saw a near riot in the halls of dear old Washington—reason? Phyills and Dorothy Leighton enrolled. Result of noontime activity—we stayed 15 minutes longer that afternoon. Feb. 28—"Mikado" rehearsals began and you can imagine, Ruthie, from then on 'til March 15—it was "Mikado." March 11 practically the whole school went to hear Ruth Bryan Owen. March 13 our C.K.L. basketball champions and regional tourney winners met Ward High in the state tourney and lost! March 15 the "Mikado" went over big—in two performances. You should have seen all the lads and lassies handle their fans. March 21 Roosevelt eighth graders gave their operetta, "Vendemmia." March 22-25—Easter Vacation. March 30 the first track meet of the season was held in Salina—Topeka, J. C., and S. H. S. participating. April 1—39 seniors elected to the National Honor Society. April 12-13 brough the District Music Festival with numerous S.H.S. entries. Then April 19 some of our trackmen attended the K.U. Relays and on April 20 we took the Emporia State Scholarship tests after weeks of grind—Oh the relief! April 23 the senior play, "Tiger House" scared us all to death with the lights going out and Dot LeClair's eerie screams. April 26 brought many track teams to Salina to enter the Central Kansas Invitational track meet. Then on April 27 we all went to the Junior-Senior Prom. The musical theme was swell and we seniors are indebted to the juniors for a lovely banquet. April 30 brought the Girl Reserve Vespers with the ever-popular Reverend Joe Riley Burns as speaker. May has been filled with innumerable end-of-year activities including our Baccalaureate sermon May 19. And then today, May 24, brought Class Day with its fun—and then the Commencement address and our diplomas tonight make us realize that our gay, filled-with work-and-fun high school days are over.

A Toast to Washington

In your rooms are found, not valued in dollars,
Many young students, some budding scholars.
Yes, scholars that think, down deep in their hearts,
That when this year ends, we forever part.
